

Tamarind Gardens

Lavington - Kabarsiran Avenue

Concept

An exhilarating new development of 17 luxurious town houses within the serene Lavington surroundings. They are striking design wise and spacious with three floor levels. This spreads out the accommodation giving each room the desired level of space. Tamarind gardens have unparalleled sophistication and the splendor of contemporary housing. Each of the luxurious townhouses offer four bedrooms all en suite, a family room, a study room, separate dining room, American kitchen with a store which opens to a laundry yard, domestic staff quarters and an en suite guest wing. Other salient features include a carport, paved parking, boundary wall with electric fence, water tank and a mature garden.
